GBRL continues conservative underwriting approach. Company started with accepting small lines in treaty as well as facultative. Currently company is writing all classes of business except specialized classes like liability, credit and Agriculture etc. GBRL would like to continue its prudent underwriting approach focusing on selection of good risks.

100.47%

98.17%

GBRL's business strategy is to be in a selected global market, establish healthy relationships with clients and ensure timely payment of claims. Currently company's main focus is in SAARC region. However, after international rating company is aiming to expand to ASEAN markets, and then to Central Asia, MENA and rest of Africa region in selected class of business. Currently company's presence is in approximately 22 countries.

GIC-Bhutan Reinsurance Company Limited is the first and only specialized reinsurance Company in Bhutan. Company completed 9 years on 5<sup>th</sup> September, 2022. Within Nine years our gross premium grew from Nu. 125.04 Mln in 2014 to Nu. 1,609.98 Mln in 2022. Company's claims Ratio reduced from 116.74% in 2014 to 69.51% in 2022 and Combined Ratio from 177.58% in 2014 to 98.17% in 2022. In 2022 company's investments assets have increased by 22.60 % YOY, with average return on investment around 6.00%.

Particulars	2021	2022
Total Assets	4,004.15	4,782.25
Growth Rate	22.82%	19.43%
Net Worth	1,327.88	1,480.99
Solvency	1.86 Times	1.76 Times

Note: - Solvency ratio for 2022 is 1.76 Times. Total assets in 2022 are Nu. 4,782.25 Mln with growth rate of 19.43% against previous year 2021. Total investments of GBRL in 2022 is Nu. 3,719.11 Mln. Average return on investment is 6.00% creating 11% provision on Standard Assets.

Provision for reserves help in maintaining portfolio over year. Maintaining proper and sufficient claims reserve is one of the major challenges and important aspect for any Reinsurance Company. GBRL as on 31.12.2022 have an OSLR of Nu. 1,627.33 Mln and IBNR of Nu. 486.67 Mln.

### **Investment Scenario**

Currently company is investing only in fixed deposit, bonds and corporate lending through consortium financing and inter non-financial institution borrowing. However, although there are challenges of limited investment avenues in Bhutan, GBRL is planning to explore into investment avenues like real estate and more of consortium financing with a view of increasing the ratio of fixed assets, besides the core business of reinsurance. The future opportunity for investment plays a vital role for way ahead of the reinsurance company.

### Rating

To have business deals with insurers and reinsurers across the globe, rating plays an important role. Even though company is not having international rating it could develop business relationship with insurers and reinsurers from more than 20 countries. Currently GBRL have been rated by Credit Analysis and Research Limited of India i.e. CARE Ratings Limited. Our present rating is "A" for Issuer Rating (General Creditworthiness) which is third highest rating after "AAA" & "AA".

With consistent performance over the years and infusion of extra Capital, GBRL is expecting a decent International Rating. With International Rating, scope of increase in business will be multiple times.

### Other Highlights

GIC-Bhutan Reinsurance Co. Ltd. (GBRL) has a state of art IT Infrastructure. GBRL is the first financial institution of Bhutan to deploy a Dual Stack Network with IPv6 and IPv4. We are one of the few financial institutions of Bhutan owning our own ASN number "AS137925" with our own IPv4 (/24) and IPv6 (/48) addresses from APNIC. GBRL also has one disaster recovery sites hosted in Bhutan Telecom's data centre located at Phuntsholing, Bhutan. To manage and monitor the IT infrastructure, GBRL has been using internationally rated, network monitoring & management and log management, opensource tools. GBRL is an ISO:27001 ISMS (Information Security Management System) certified company and holds certificate number "IS 742090"

GIC-Bhutan Reinsurance Co. Ltd. is the first company in Bhutan to fully comply with the Enterprise Risk Management (ERM) standards. ERM Department is driven by the ERM policy & procedure and maintains a risk register which has all the risk pertaining to the organization and it is reviewed and updated every quarter through management level ERM committee meeting followed by Board Level ERM committee meeting. Some of the mandates of ERM are fire evaluation drills, first aid training, disaster recovery drills, business continuity drills, etc. GBRL also carried out the stress test with the help of experts from renown firm to determine the company's strength.

The Company was awarded the Certificate of Excellence for "Best Reinsurer of the year" by the Indian Chamber of Commerce during the Emerging Asia Insurance Awards 2021 held on 30<sup>th</sup> April, 2022 in Kolkata, India.

GBRL's Joint venture Partner GIC of India (GIC RE) continuous to provide strong technical and strategic support, with designated GIC Re official(s) on full time hands to GIC Bhutan Reinsurance company.

### Strategy Ahead

GIC Bhutan Re has a good track record since establishment. The business prospects are certainly promising. Premiums have been steadily growing.

Current paid up capital of GIC-Bhutan Re is Nu. 1,100.00 Mln. Enhancement of paid up capital has increased the financial strength of the company, it also increased underwriting capacity of company. With the improvement of underwriting performance over the period, improved investment performance and robust Enterprise Risk Management Structure & IT infrastructure, company is expecting a decent international rating. With that, portfolio diversification and portfolio mix can be achieved.

### **Statutory Auditors:**

M/s. S Jaykishan, Chartered Accountants firm, Kolkata have audited the Reinsurer's books of accounts for the year ended 31st December 2022.

### Acknowledgement:

The Board expresses its sincere gratitude to the Royal Government of Bhutan, the Royal Monetary Authority of Bhutan, the Royal Securities Exchange of Bhutan and other regulators for their valuable guidance and support. The Board also would like to thank GIC-Re India for their continuous support and all the financial institutions in Bhutan & all the insurance broking partners in India and other third countries for their cooperation and patronage. The Board acknowledges the gratifying confidence of the clients and shareholders and wishes to place on record its appreciation for the dedicated services and contribution made by the employees of the reinsurer towards its growth and achievement during the year.

(Dasho Sangay Wangchuk)
Chairperson

### INDEPENDENT AUDITOR'S REPORT

To,
The Member of
GIC-BHUTAN REINSURANCE COMPANY LIMITED
THIMPU, BHUTAN

### 1. Qualified Opinion

We have audited the financial statements of **GIC-BHUTAN REINSURANCE COMPANY LIMITED** which comprise the statement of financial position as on December 31, 2022, the Statement of Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies. These financial statements are the responsibility of the Management of the company. Our responsibility is to express an opinion on these financial statements based on our audit.

In our opinion, except for the effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the corporation of its financial performance and its cash flows for the year then ended in accordance with Bhutanese Accounting Standards (BAS/BFRS).

### 2. Basis for Qualified Opinion

The Company has loans and advances amounting to Nu. 724,983,877. Accounting and Auditing Standards Board of Bhutan Secretariat, ministry of Finance vide notification no. AASBB/Cri-03/2023/183 dated 13th March 2023 has provided exemption of application of Expected Credit Loss model (ECL) of BFRS 9 until the issuance of BFRS 17 for Insurance company until 1st January 2025. However, the notification states that Insurance Companies with the loan component will need to implement the ECL model of BFRS 9. However, the Company has not implemented ECL model of BFRS 9 on such loans as of 31st December 2022 as required by BFRS 9. In the absence of such an evaluation by the management, we are unable to comment on the impairment, if any, of the value of such loans amounting to Nu. 724,983,877 and the consequential impact thereon.

We conducted our audit in accordance with the International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Corporation within the meaning of IESBA Code and have fulfilled our other responsibilities under those relevant ethical requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### 3. Other Matter

The actuarial valuation of liability in respect of Claims Incurred but not Reported (IBNR) as at 31st December, 2022 is as certified by the Company's Appointed Actuaries and our opinion in so far as it relates to the amounts and disclosures related to such liability, is based solely on such report.

### 3. Key Audit Matters:

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters to be key audit matters for the company to be communicated in the audit report.

### a. Revenue Recognition:

### Key audit matters

Premium income is the main source of income of the Company and one of the major areas of concern for correct depiction of financial results as per the Company's overall accounting policy described in the significant policies of the Company in respect of recognition of premium income. The mathematical methods use assumptions concerning premiums, ultimate loss ratios and run-off patterns, which are based on an expert estimate derived from past experience. The Company recognizes reinsurance premium Income based on the statement of accounts or dosing statements received from the ceding companies. At the year end, estimates are made for the accounts not received based on the Estimated Premium Income (EPI) agreed upon by both the Company and the Ceding Companies at the time of inception of the treaty or policy slip.

Premium estimation is the differential of EPI and the booked premium for the year by the Company.

Estimation of Income can be right only if factors Involved are incorporated in the system and extracted correctly from the system.

### Auditor's response

For the purposes of auditing the estimated gross premium, we first evaluated the design of the contribution and estimation process. In that connection, we identified the material key controls and analyzed their design. Based on that analysis, we evaluated the operating effectiveness by testing the effectiveness of the key controls implemented. Understood and tested the governance process in place to determine the insurance contract liabilities, including testing the associated financial reporting framework. control Tested the design, implementation, and operating effectiveness of key controls over Revenue Recognition.

Verified Premium Estimation with the guidelines of the Company and have performed test of controls, test of details and analytical review procedures on estimation of income. Verified EPI from the treaty or policy slip and verified Actual Premium booked from Statement Accounts or Closing statements received from the Cedants of the sample cases.

We obtained a detailed understanding and evaluated the design and implementation of controls that the Company has established in relation to recognizing premium income. We assessed the control segregation of premium amongst different business segments broadly fire, engineering, marine and miscellaneous.

Adjustment of Unearned Premium Reserve. In tests of details, we critically reviewed the material assumptions underlying an estimate and asked the Company to explain to us the grounds for such estimates. Based on our audit procedures, we were able to satisfy ourselves that the calculation procedures used by them to derive the estimated gross premium are appropriate overall.

### b. Claim Provisioning:

### Key audit matters

Determining the provision for outstanding claims is subject to uncertainty and judgement, as the provision is largely based on estimates and assumptions. It involves a high degree of subjectivity and complexity. Uncertainties in estimation arise from the occurrence, amount, and speed of settlement of major losses; long-term claims development and special loss scenarios (including third party liability). We have therefore designated the measurement of the provision for outstanding claims as a key audit matter.

Insurance Claim is the major area of expense for the insurance company. Total Incurred claims include paid claims, Outstanding Loss Reserve (OSLR) and Claims Incurred but Not Reported (IBNR).

### Auditor's response

We have tested the effectiveness of the controls implemented for ensuring the completeness and accuracy of the recognition and measurement of claims.

For assessing the quality of estimates, we analyzed the actual development of the previous year's provision for outstanding claims based on the runoff results. We applied mathematical and statistical methods to generate our own loss projections for certain segments based on risk considerations. In addition, we compared the reserve level at the end of the reporting period with the previous year's level, and verified adjustments made to it. Assessing the process and related judgments of the Group in relation to natural catastrophes and other large losses, including using our industry knowledge to assess the reasonableness of market loss estimates and other significant assumptions.

We have verified operational guidelines of the Company relating to claim processing, performed test of controls, test of details and analytical review procedures on the outstanding claims. Verified the claim paid and provision on sample basis with payment proof and Preliminary Loss advice (PLA) received from the Cedant Company/brokers and the same is further verified from the surveyor's report.

Our audit approach is to understand the systems, procedures and control over the claims registered at different operating offices and evaluate the implementation design of these essential elements. We focused on these areas because underlying these methods are a number of explicit or implicit assumptions relating to the expected settlement amount and settlement patterns of claims which are subject to critical judgement.

For the claim cases which has been incurred but not reported, these cases are captured by the actuary appointed by the Company. The actuarial valuation of liability in respect of Claims Incurred but Not Reported (IBNR) as at 31st December 2022, as certified by the Company's Appointed Actuary and we had verified the amounts and the related liability, based on such report.

### 4. Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, for example, Corporate Overview, Key Highlights, Board of Director's Report, Report on Corporate Governance, Management Discussion & Analysis Report, Business Responsibility Report, etc., but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express
  any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other
  information and, in doing so, consider whether the other information is materially inconsistent with
  the financial statements, or our knowledge obtained during our audit or otherwise appears to be
  materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report, that fact. We have nothing to report in this regard.

### 5. Responsibilities of the Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Bhutanese Accounting Standards (BAS/BFRS) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Corporation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Corporation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Corporation's financial reporting process.

### 6. Auditors Responsibilities for the Audit of the Financial Statements

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards required that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with BAS/BFRS will always detect a material misstatement when it exists. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers Internal control relevant to the entity's preparation and fair presentation of the financial statements to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and K reasonableness of accounting estimates made by management, as well as evaluating the overall presentation

of the financial statements. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Our additional responsibilities are provided in Annexure A.

### 7. Report on Other Legal and Regulatory Requirements:

As required by Sec 266 of the Companies Act of Bhutan, 2016 (The Minimum Audit Examination and Reporting Requirements) issued by the Royal Audit Authority and based on such checks as we considered appropriate and according to information and explanations given to us, we enclose in the "Annexure B", a statement on the matters specified therein to the extent applicable to Company.

### 8. As required by the Act, we report that:

- a) We have obtained, except for matters described in the Basis for Qualified Opinion section, all the information and explanation, which to the best of our knowledge and beliefs were necessary for the purposes of our audit.
- b) Except for the effects of matter described in the 'Basis for Qualified Opinion' paragraph above, in our opinion, proper books of account as required by law have been kept by the Corporation so far as appear from our examination of the books, proper returns adequate for purpose of our audit have been received.
- c) The Statement of Financial Position, Statement of Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows dealt with by this report agree with the books of accounts.
- d) Based on the information, explanation and management representation received during our audit, the company has complied with all the applicable and relevant legal regulatory requirements, except for the effects of the matter described in the 'Basis of Qualified Opinion' paragraph above.

### ANNEXURE A TO AUDITOR'S REPORT

### **Responsibilities for Audit of Financial Statements**

### (Audit Report of GIC-BHUTAN REINSURANCE COMPANY LIMITED for the year ended on 31st December 2022)

As part of an audit in accordance with ISAs, we exercise professional judgment and maintained professional skepticism throughout the audit. We also:

Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Corporation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to drawattention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit's report. However, future events or conditions may cause the Corporation to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### A. FINANCIAL RISK MANAGEMENT

Overview the Company has exposure to the following risks from its use of financial instruments.

- a) Credit risk
- b) Liquidity risk
- c) Market risk
- d) Operational risk.

This note presents information about the Company's exposure to each of the above risks, the company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital. Further quantitative disclosures are included throughout these Financial Statements.

### Risk Management Framework

The management has the overall responsibility for the establishment and oversight of the Company's risk management framework, the Company, through its training and management standards and procedures, aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.

### a)Credit Risk

Credit risk is counter-party default risk, and includes the risk of failure of financial institutions with which the Company has placed deposits/investments to meet obligations. It also includes the risk of default by cedant on premium receivable, default by loan clients and failure of employees to meet loans provided by the Company. In addition to strict limits on single counterparty exposure, the Company follows a prudent credit policy which limits its investments to high-grade corporate credit in line with the investment policy and above the regulatory minimum criteria. Single counter-party exposure is monitored on a monthly basis, and any deviations require special approval. The Company's investment approach is also guided and monitored by BIL Management as per BIL policies on investment.

### b)Liquidity Risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liability. The Company maintains portfolio of highly marketable securities that can be easily liquidated in the event of an unforeseen interruption of cash flow. The Company to mitigate the liquidity risk has maintained short term deposits.

### c)Market Risk

Market risk refers to the risk of possible adverse movements in the values of assets due to changes in market factors including currency, eqpuity price and interest rate. The current uncertainties in the local and international markets and investment climate have increased the degree of impact of market risk to the Company. The Company Risk Management policy covers risk associated with the financial assets and financial liabilities such as interest rate risks and credit risks.

### a. Interest rate risk

The risk of interest rate volatility adversely affects the market value of the investment portfolio. In an increasing interest rate environment, there will be a drop in the value of treasury bills and bonds when they are marked-to-market. the Company monitors its interest rate risk on a monthly basis by analyzing the movement in the interest rate sensitive asset duration, the allocation to interest rate sensitive assets, and the sensitivity of interest rate movements on the solvency margin. Any movement in the reference rates could have an impact on the Company's cash flows as well as cost.

### b. Currency Risk

Currency risk the risk of fluctuation of fair values or future cash flows of a financial instrument due to change in exchange rates is referred to as currency risk. The Company's principal transactions are carried on in Bhutanese's as well as other currencies. The foreign exchange risk arises primarily with respect to the US Dollar and other currency denominated assets maintained in order to honor liabilities of foreign currency denominated insurance policies sold in the ordinary course of business. However, Receivables and Payables were recorded on Bhutanese currency after converting them with exchange rates at the reporting date.

### d) Operational Risk

This is the risk of direct or indirect loss arising from a wide variety of causes associated with the Company's processes, personnel, technology and infrastructure, and from external factors other than credit, market and liquidity risks such as those arising from legal and regulatory requirements and generally accepted standards of corporate behavior. Operational failures could result indirect consequences such as producing misleading financial information, loss of return, financial penalties from regulators or damage to the reputation of the Company. Operational risks arise from all operations of the Company. While it is acknowledged that the Company cannot eliminate all operational risks, it is in a position to manage such risks by initiating a rigorous control framework and by monitoring and responding to potential risks. the Company's Risk Management team assesses all foreseeable risk involved in its operation and they develop and implementation plans to control those identified operational risk, these action plans recommended by the team are to manage the operational risk in the following areas:

- Requirements for having appropriate segregation of duties including the independent authorization of transactions;
- Requirements for the reconciliation and monitoring of transactions;
- Compliance with regulatory and other legal requirements;
- Documentation of controls and procedures;
- Requirements for the periodic assessment of operational risks faced and the adequacy of controls and procedures to address the risks identified;
- Requirements for the reporting of operational losses and proposed remedial action;
- Development of contingency plans;
- Training and professional development;
- Ethical and business standards;
- Risk mitigation including reinsurance where this is cost effective.

### B. CAPITAL MANAGEMENT

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity share-holders of the Company. The Company's objective when managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide returns to shareholders and other stake holders.

### SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PART OF THE ACCOUNTS

### I. SIGNIFICANT ACCOUNTING POLICIES:

### 1. REPORTING ENTITY:

The principal activities of GIC - Bhutan Reinsurance Co. Ltd (the "Company" or "GIC.") cover all significant operations that have taken place within Bhutan.

The company is a limited liability company incorporated and domiciled in Bhutan. The address of its principal place of business is Thimphu, Bhutan.

The Company was incorporated on  $16^{th}$  May, 2013 vide registration no. U20130516THI0406, where the foreign investors hold 26% shareholding of the Company. The Company has taken following Trade License

License No.

Nature of Activity

1029965

General Reinsurance Business

These financial statements relate to the year ended 31st December, 2022. The Company is listed in Royal Securities Exchange of Bhutan Limited.

### 2. BASIS OF PREPARATIONS:

### 2.1 Basis of Preparation

The Balance Sheet and the Profit and Loss Account are drawn up in accordance with the Regulation for Establishment of Reinsurance Business in Bhutan, Financial Services Act of Bhutan, 2011 and the Bhutanese Accounting Standard (BAS) as notified by the Accounting and Auditing Standards Board of Bhutan ("AASBB"). The financial statements also conform to the stipulation specified under the Insurance Regulatory and Development Authority of India (Preparation of Financial Statements and Auditors Report of Insurance Companies) Regulations, 2002. The said statements are prepared on historical cost convention and on accrual basis except as otherwise stated and conform to the statutory provisions and practices prevailing in the General Insurance Industry in India and Bhutan.

### 2.2 Functional Currency

The functional currency of preparation is the Bhutanese Ngultrum.

### 3. APPLICATION OF BHUTANESE ACCOUNTING STANDARDS:

The Financial Statements have been prepared in line with Bhutanese Accounting Standards.

The summarized impact of the introduction of BAS is:

a) The Company has presented Statements of Comprehensive Income and Changes in Equity as required by BAS 1. These statements show information that was previously disclosed in the schedules to the financial statements.

b) The Corporation has complied with relevant Bhutanese Accounting Standards, RMA guidelines in preparation of its financial statements.

### 4. SEGMENT REPORTING:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. The chief operating decision-maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Board of Directors.

### 5. REINSURANCE BUSINESS:

### 5.1 Use of Estimates

The preparation of financial statements in conformity with the generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities as of the Balance Sheet date, revenue and expenses for the year ended and disclosure of contingent liabilities as of the Balance Sheet date. The estimates and assumptions used in accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results may differ from the estimates and assumptions used in preparing the accompanying financial statements. Any revision to accounting estimates is recognized prospectively in current and future periods. Information about critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the Financial Statements are included in the following notes.

- a) IBNR
- b) Unearned Premium
- c) Employee Benefit

**5.2** Reinsurance Revenues Premium is accounted based on accounts rendered by ceding companies upon receipt of accounts. At the year end, estimates are made for accounts not yet received, based on available information and current trends. Revenue is measured at the fair value of the consideration received or receivable, and represents amounts receivable for net of discounts, returns and taxes. The Company recognizes revenue when the amount of revenue can be reliably measured and when it is probable that future economic benefits will flow to the Company.

Various provisions have been made based on industry policy of Reinsurance business. Premium Income is recognized on assumption of risk and has been taken as base calculation on the basis as under:

**Facultative Business** 

Time Line Premium Income.

Non - Proportional Treaty Business

Gross Estimated Premium Income.

Proportionate Treaty Business Other Reinsurance Business 90% of Gross Estimated Premium Income.

As per terms of the Reinsurance Contract.

Premium Receivable represents the amount of receivable as per term of premium payments warranty contracts with brokers. Any subsequent revision to or cancellation of premium are recognized in the year in which they occur.

### 5.3 Reserve for Unearned Premium (UPR)

The UPR provisions are made as under:

a) Premium received / receivable for succeeding accounting period have been recognized as Unearned Premium on the basis of time apportionment.

### 5.4 Brokerage & Commission:

Brokerage & Commission has been taken as expenditure as per terms of the policy and calculated on the basis of premium received for different types of Insurance.

### 5.5 Reinsurance Ceded:

Re-Insurance Cession are accounted for on actual or estimated wherever actual are not available.

### 5.6 Outstanding Claims

### a. OSLR (Outstanding Loss Reserve)

Estimated liability for outstanding claims in respect of Reinsurance business carried out in Bhutan is based on advices received as of different dates up to the date of finalization of claim figures in the books for submission of the data to the "Appointed Actuary" and wherever such advices are not received, on estimates based on available information, current trends, past underwriting experience of the management and actuarial estimation bases.

### b. IBNR (Incurred But Not Reported)

Provision for claims incurred but not reported (IBNR) is made as certified by the appointed actuary based on accepted actuarial methods.

### 5.7 Receivables and Advances

Receivables and Advances are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are included in current assets, except for maturities greater than 12 months after the end of the reporting period. These are classified as non-current assets. The group's Receivables and Advances comprise "Trade & Other Receivables", "Financial Assets", and "Cash & Cash Equivalents" in the Statement of Financial Position.

### 5.8 Trade Payables:

Trade payables are initially recognized at the fair value of the amounts to be paid. Accounts payable are classified as current liabilities if payment is due within one year or less (or in the normal operating cycle of the business, if longer). If not, they are presented as non-current liabilities.

### 5.9 Trade Receivables:

Trade receivables are initially recognized at the fair value of the amounts to be received. If collection is expected in one year or less (or in the normal operating cycle of the business if longer), they are classified as current assets. If not, they are presented as non-current assets. Receivables are reviewed regularly for impairment.

### 5.10 Cash & Cash Equivalents:

In the Statement of Cash Flows, cash and cash equivalents includes cash in hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts.

### 6. FOREIGN CURRENCY TRANSACTIONS:

- a) Revenue transactions in foreign currencies are converted at the daily rate of exchange on the day accounts are received and transactions are booked. The rates have been taken from XE.COM.
- b) Monetary items such as receivables, payables and balances in bank accounts held in foreign currencies are converted using the closing rates of exchange at the balance sheet date.
- c) Foreign exchange gains and losses resulting from the settlement of such transactions and from the translations at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognized in the Statement of Income.

### 7. FINANCIAL INSTRUMENTS

### 7.1. Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date

### 7.2. Subsequent measurement

Non-derivative financial instruments

### (i) Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

### (ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

WYAN DEINGURAT

M

(iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

(iv) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

### 8. PROPERTY PLANT AND EQUIPMENT

- A) Property, Plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such Cost includes the cost of replacing part of the plant and equipment and borrowing costs for long term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria is satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred. No decommissioning liabilities are expected to be incurred on the assets of plant and equipment.
- B) Depreciation on other acquired assets during the year is calculated using the straight-line method to allocate their cost to their residual values over their estimated useful lives (evaluated by the management), as follows:

Plant and machinery and other equipment 6 years
Furniture and fixtures 10 years
Computers and office equipment 6 years
Vehicles 10 years
Electronic Equipment 4 years

- C) The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognized within 'Comprehensive Income/ (Loss) as the case may be, in the income statement.
- D) Intangible Assets:

Intangible Assets representing software are recorded at its acquisition price and are amortized over their estimated useful life on a straight-line basis, commencing from the date the assets are available for use. The management has estimated the useful life for such software as six years. The useful life of the asset is reviewed by the management at each Balance Sheet date.

E) Impairment of Assets:

Fixed assets are reviewed for impairment at the end of the year whenever events or changes in circumstances warrant that the carrying amount of an asset may not be recoverable. Recoverability of an asset to be held and used is measured by a comparison of the carrying amount of an asset of future net discounted cash flows expected to be generated by the asset.

If such an asset is considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the asset exceeds the recoverable amount of the asset. There is no impairment of assets in current financial year

### 9. INVESTMENTS:

- a) Prudential norms prescribed by Royal Monetary Authority of Bhutan are followed in regard to:
- 1 Revenue recognition;
- 2 Classification of assets into performing and non-performing; and
- 3 Provisioning against performing and non- performing assets.
- b) Purchases and Sales of bonds, debentures and Government securities are accounted for on the date of settlement.
- c) The cost of investments includes premium on acquisition, Securities Transaction Tax, Goods & Service tax and their related expenses.
- d) Income from fixed deposits is accounted when accrued.
- e) All debts securities including Government securities have been measured at amortized cost

### 10. CURRENT AND DEFERRED INCOME TAX:

The tax expense for the period comprises current and deferred tax. Tax is recognized in the income statement, except to the extent that it relates to items recognized in Other Comprehensive Income. In this case, the tax is also recognized in other comprehensive income. The current income tax charge is calculated on the basis of the tax laws enacted at the Statement of Financial Position date in Bhutan. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. Management establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is recognized, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted at the Statement of Financial Position date and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred income tax assets are recognized only to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilized.

### 11. EMPLOYEE BENEFITS:

a) Retirement Benefits
 Defined Contribution Scheme—

Employees Retirement Benefits belongs to a defined contribution Benefit plan managed by a separate entity.

The Company has no legal or constructive obligations to pay further contributions if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

A DEINSURAN

M

Defined Benefit Scheme-

The Company makes retirement payments based on the final salary and years of service.

The Gratuity is accrued on the basis of valuation done by the management itself presuming that all employees cease to be employed as of the year end. The scheme is not funded by the Company.

b) Other Benefits
 Other benefits such as leave encashment etc. are accrued at year end without actuarial valuation.

### 12. EARNINGS PER SHARE

The Company presents basic earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period.

### 13. CASH FLOW STATEMENT

The Cash Flow Statement has been prepared using the indirect method. Interest received, interest paid and dividend received are classified as operating cash flows while dividends paid is classified as financing cash flow. For cash flow purposes, cash and cash equivalents are presented net of bank overdrafts.

### 14. COMMITMENTS AND CONTINGENCIES:

Contingencies are possible assets or obligations that arise from a past event and would be concerned only with the occurrence or non-occurrence of uncertain future event, which are beyond the Company's control.

### 15. EVENTS AFTER BALANCESHEET DATE:

The Board of Directors has proposed dividend for the financial year 2022.

### 16. COMPARATIVE INFORMATION:
